

Greetings HôM Flats and Grô Childcare,

We write to salute your shared commitment to quality affordable childcare, as evidenced by the integration of Grô Childcare Academy in your HôM Flats multifamily development on Grand Rapids' west side.

We were impressed you saw the need for integrated early childhood education space and shifted the required square footage to accommodate it in your plan. We are very aware of the value this represents to the broader community. **Congratulations on this visionary achievement!**

In recognition of your noteworthy leadership, you have been selected for an **IMAGINE MORE! Award** to be presented at the annual CEO Roundtable of the Western Regional Childcare Coalition.

Best regards,
Vibrant Futures
